

HENLEY
STOVES

Elite Collection

Elite G1 - Black

Fuel:	Multi Fuel
Output:	3kW to 7kW
Efficiency:	81.6%
Energy Class:	A
Nominal Output:	4.9kW
Flue Size:	150mm
Finish:	Matt Black / Black Glass
Weight:	130KG

Available Finishes:

Elite G3 Metallic Black*

Elite G3

Fuel:	Multi Fuel
Output:	3 to 6.4kW
Efficiency:	78%
Energy Class:	A
Nominal Output:	4.9kW
Flue Size:	150mm
Finish:	Metallic Black
Weight:	128KG

A

Energy Class

78%

Efficiency

3 - 6.4kW

Output

Available Finishes:

Elite H2

Fuel:	Multi Fuel
Output:	3 to 7.4kW
Efficiency:	78%
Energy Class:	A
Nominal Output:	4.9kW
Flue Size:	150mm
Finish:	Metallic Black
Weight:	106KG

Available Finishes:

Tally F - Bronze Steel*

Tally Up S

Fuel:	Wood
Output:	3 to 6kW
Efficiency:	85.6%
Energy Class:	A
Nominal Output:	4.9kW
Flue Size:	150mm
Finish:	Black Steel, Grey Steel, Bronze Steel, Soapstone
Weight:	200KG

A

Energy Class

85.6%

Efficiency

3 - 6kW

Output

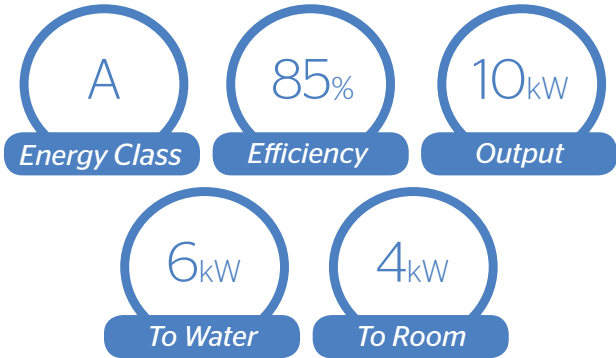

Available Finishes:

Tally H

Fuel:	Multi Fuel
Output:	10kW
Efficiency:	85%
Energy Class:	A
Flue Size:	150mm
Finish:	Black Steel, Grey Steel, Bronze Steel, Soapstone
Weight:	210KG

Available Finishes:

The water is heated by combustion gases that pass through the heat exchanger tube bundles, located over the stove.
The hot water accumulation in the top reduces the size of the thermo-stove.

Tech Specs

	Height	Width	Depth	Flue
Elite G1	1133mm	508mm	508mm	150mm
Elite G1 - white ceramic	1133mm	508mm	508mm	150mm
Elite G1 - red ceramic	1133mm	508mm	508mm	150mm
Elite G3	1154mm	504mm	504mm	150mm
Elite H2	1600mm	508mm	508mm	150mm
Elite J1	1149mm	754mm	507mm	150mm
Tally up Tally	1280/1310mm	500mm	500mm	150mm
Tally F	1760/1790mm	500mm	500mm	150mm
Tally up S	1760/1790mm	500mm	500mm	150mm
Tally H	1760/1790mm	500mm	500mm	150mm

**Dimensions are of stove only including frame further space should be allocate for collars, pipework etc.
**All dimensions are correct at time of print

*** All stove measurments, stove drawings and boiler pipe drawings can be found on www.henleystoves.com
*** All information is correct at time of print however for more up to date information visit www.henleystoves.com
*** Picture are for illustration purposes and some designs may have changed before going to print

Icon Keystone

5 YEAR WARRANTY
All Henley stoves come with a 5 year warranty on the body of the stove.

CE - EN13240
A Henley stove with this icon means that the stove meets European standard of test for stoves fired by solid fuel, Incorporating corrigenda September 2003, June 2006 and August 2007.

AIRWASH
All Henley stoves come with an airwash system which helps to keep the glass clean. It uses a specially placed vent or vents to draw in air from the outside to which will wash over the front of the glass.

EXTERNAL AIR
A Henley stove with this icon has an external air facility allowing the air to come directly from outside your building rather than through a vent in the room. This is required for heat recovery systems in new build projects.

CLEARBURN
A Henley stove with this icon features a tertiary air system. This creates a cleanburn system where hot air is pushed into the firebox above the normal height of the fire. This allows the excess gasses to combust given a cleaner burn.

THERMOSTAT
A Henley stove with this icon is a boiler stove which comes with a thermostat control. This regulates the amount of air released into the stove until it reaches the optimum temperature and automatically closes.

COLOUR OPTIONS
A Henley stove with this icons means the stove comes in a variety of painted/ceramic finishes
