QUALITY FIREPLACE COLLECTION

2018/19

Welcome to the new 2018/19 GMS Quality Fireplace Collection

The GMS Quality Fireplace Collection features a range finishes, materials and designs. Choose the perfect focal point for your home at one of our carefully selected retailers.

Polar White

The outstanding new colour with a cool tone, the neutral tone fits a range of interior styled homes.

Sorrento White Marble

The recently new natural marble added to our quality collection is a sought-after choice for a high end focal point to a living space. The classic white marble features a soft grey vein throughout. Each surround is unique and individual to its home.

Ivory Cream

A staple favourite in homes with its high-quality finish and continued impact due its light neutral tones.

Black Sandstone

New to GMS for 2018/19, black sandstone is a natural material with a striking tone and individuality.

Black Granite

A strong jet-black granite which is classic hard wearing and timeless.

Solid Oak

A natural wood tone which adds the warm of woodland oak into your living space.

LIMESTONE SURROUNDS & SUITES

Our surrounds are carved from Aegean limestone, a white natural stone sourced from the Mediterranean coast line of Greece and Turkey. This natural material features a slight grain with a consistent and uniformed based tone creating a natural shading.

Our Limestone Suites are carefully selected to add quality and style to the heart of your home. Each suite is available with or without under lighting - the choice is yours.
